

EMIRATI TEACHER SUCCESS PROGRAMME™

A structured pathway for the first 100 school days

Designed to help early-career Emirati teachers build classroom readiness, professional agency, wellbeing and leadership potential, while enabling schools to provide more coherent, evidence-informed support.

THE PROGRAMME AT A GLANCE

100 school days	8 facilitated sessions	3 classroom observations	6 months' platform access
--------------------	---------------------------	-----------------------------	------------------------------

AN INTEGRATED TEACHER SUCCESS JOURNEY

01 Readiness Compass™ A 30-item pre- and post-programme developmental assessment across six domains.	02 Professional learning Eight facilitated sessions connecting UAE context, classroom practice and career growth.	03 Mentoring Weekly structured mentor check-ins that turn reflection into practical next steps.
04 Practice and evidence Three observations plus a professional portfolio, capstone and applied evidence.	05 Wellbeing support Private wellbeing check-ins with carefully defined access and confidentiality safeguards.	06 Progress and recognition First 100 Days™ tracking, developmental insights, badges and a verified certificate.

Structured support. Visible growth. Sustainable success.

A coherent journey connecting learning, mentoring, evidence and recognition.

THE SIX DOMAINS OF TEACHER SUCCESS

A developmental framework connecting classroom practice, wellbeing, agency and evidence.

VALUE FOR TEACHERS AND SCHOOLS

FOR TEACHERS

- A coherent transition into classroom practice
- Individual developmental feedback and mentoring
- Stronger confidence, wellbeing and professional identity
- Visible evidence of growth and achievement

FOR SCHOOLS

- A structured framework for early-career support
- Cohort-level insight into strengths and development needs
- Better alignment between learning, mentoring and observation
- Evidence to inform teacher-development and retention decisions

A UAE-developed, practitioner-led approach to sustainable Emirati teacher success.

Designed for school and system-level implementation.
